Addison

Nestled in the heart of the DFW Metroplex, Addison is your ideal home base for a weekend getaway, business trip, or foodie adventure. With 22 inviting hotels and over 200 diverse restaurants, cafes, and gastropubs packed into just 4.4 square miles, Addison offers a vibrant mix of flavors and experiences—all with the charm of a close-knit community.

Beyond Addison's borders, you're just minutes from world-class attractions, major sports venues, premier

shopping destinations, and both Dallas Love Field and DFW International Airport. It's the best of both worlds: small-town hospitality with big-city convenience.

A Town with a Story

Before it became Addison, the area was part of Peters Colony, with its first settlers, Preston Witt and his wife, arriving in 1846 along White Rock Creek. In 1902, the Town was renamed to honor postmaster Addison Robertson, and that same year, the Pistole brothers introduced its first industry by building a

cotton gin on Addison Road. Officially incorporated as a city in 1953, Addison rebranded as the "Town of Addison" in 1982, evolving from a quiet outpost to a thriving hub at the center of DFW's growth.

Big Flavor, Big Fun

Addison is a foodie's paradise, boasting more restaurants per capita than any other city in the U.S. Whether you're craving craft cocktails, global flavors, or an elevated dining experience, you'll find a table waiting for you.

For a high-energy night out, Sidecar Social is the place to be. This expansive, interactive venue offers live music, oversized games, private karaoke rooms, and craft cocktails—all in a stylish yet laid-back setting. Looking for something even more unique? Puttshack, the tech-infused mini golf experience, delivers next-level fun with automated scoring, themed courses, and an upscale food and drink menu—making every round a hole-in-one.

Beyond the restaurants, Addison is a premier entertainment destination. Catch a show at The Addison Theatre Performing Arts Centre or enjoy a night of laughter at Addison Improv or TK's Comedy, where some of the biggest names in stand-up take the stage. Want to keep the night going? Dance the night away at one of Addison's many live music venues, where you'll find everything from rock and country to jazz and blues.

No matter your vibe—laid-back lounge, high-energy nightlife, or immersive entertainment—Addison has it all, just waiting to be explored.
