## **Reliant Stadium/NRG Park**

Reliant Stadium, now known as NRG Park, was the first NFL stadium with a retractable roof and natural grass. The stadium that can be configured to utilize a 125,000-square-foot space for general session, catered

functions, exhibits, concerts, and much more. In addition, Reliant Stadium offers four massive concourse levels for special events. The design of the stadium roof provides a very flexible rigging configuration for major audio and visual presentations. 200 suites also complement the stadium.
