Britt's Wine & Dine Hours

Britt's Wine and Dine brings a world-class wine experience to East Texas. Housed in a restored segregated school building in Kilgore, the venue pairs a carefully curated selection of regional, national, and international wines with a seasonal menu designed around them. It's not just about drinking great wines; it's about savoring them with great food. Just how does the dine compare with the wine? The menu includes Hot Honey Spring Rolls, specialty pizzas, and an award-winning burger, so the dine is doing just fine.

Owner Britt Davis grew up in Napa Valley, traveled extensively through wine country, and brings that background to everything from the bottle selection to the guided tastings, "EduTasting" presentations, and VIP pairing dinners he leads personally. The space matches the intention: warm and unhurried—built for fostering old friendships and cultivating new ones.

When is Britt's Wine & Dine Open?
